Disclosure
Permissions Requested by this app
This APP shares your location data with users of Qmodi.com. The purpose of sharing your location data with Qmodi.com is to allow the clients who are responsible for the items you are transporting real time access to your precise location.
The location data is not used for any other purposes than to share with users of Qmodi.com. We do not sell your location data to any third-party clients.
For a complete overview of how we use your location data and how your privacy will be affected while using this app, please read our privacy policy before agreeing to use this app.

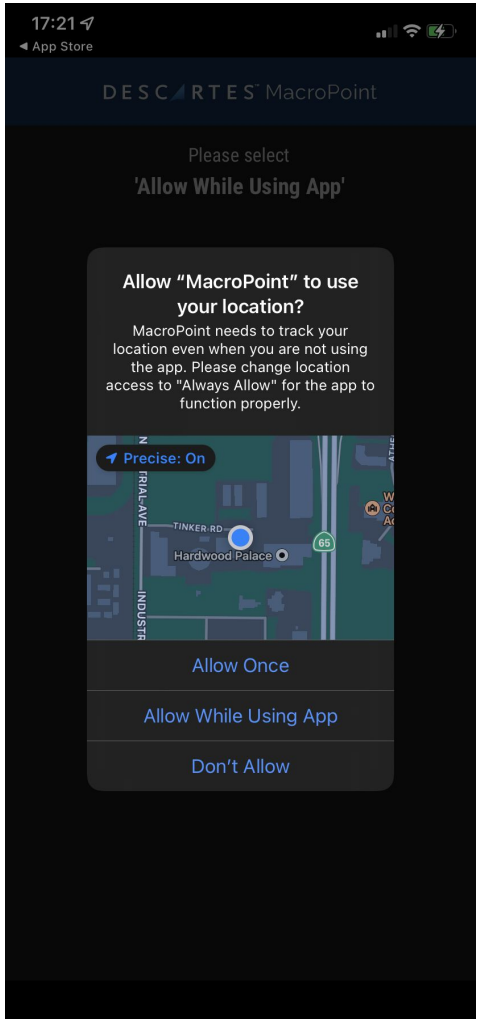
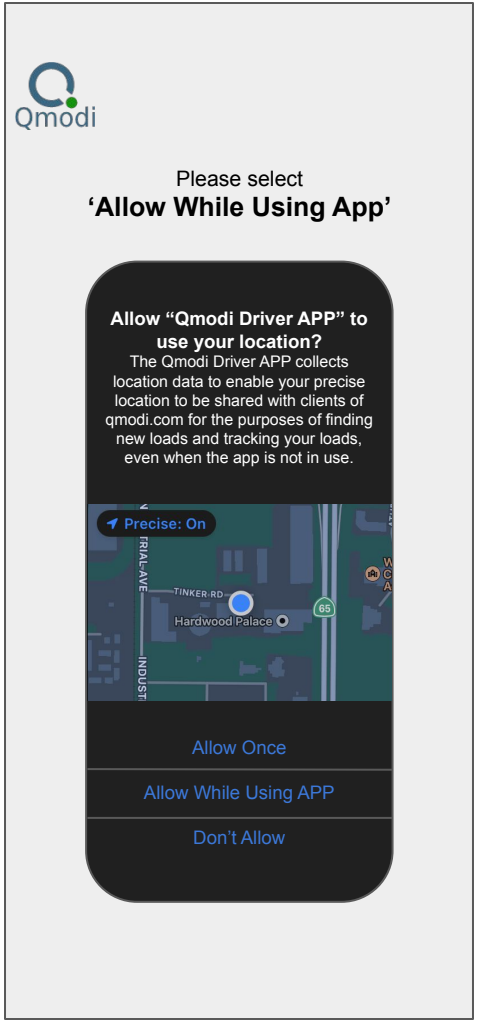
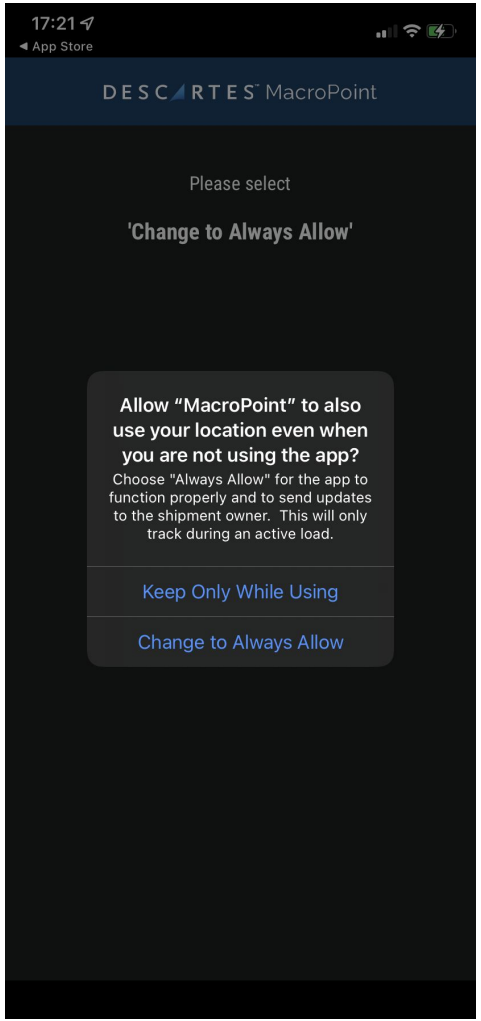
Qmodi Privacy Policy

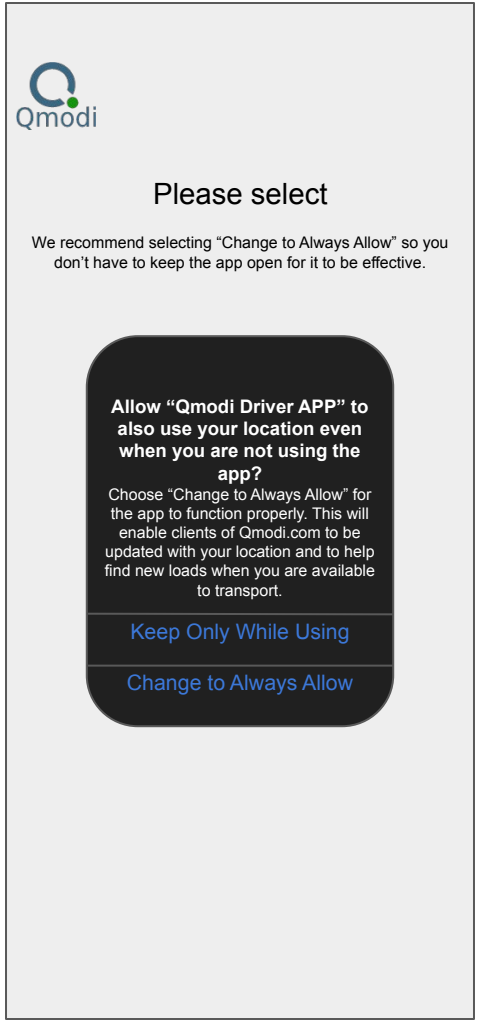




Allow "Qmodi Driver APP" to use your location?

The Qmodi Driver APP collects location data to enable your precise location to be shared with clients of qmodi.com for the purposes of finding new loads and tracking your loads, even when the app is not in use.





Allow "Qmodi Driver APP" to also use your location even when you are not using the app?
Choose "Change to Always Allow" for the app to function properly. This will enable clients of Qmodi.com to be updated with your location and to help find new loads when you are available to transport.
